

Piano Course, Music for Little Mozarts (Ages 4 – 6)

Course Description: Music for Little Mozarts, the premier piano education program for children ages 4 – 6, provides a balance between the discipline necessary for playing the piano and the enjoyment one receives from the process of music making. The course centres on the adventures of *Beethoven Bear* and *Mozart Mouse* as they learn about music. Students begin at pre-reading stage and progress to note reading, including sharps and flats. By the end students are reading and playing on the grand stave.

Parent Participation: Parents are encouraged to participate during class every week, a great opportunity to support your child’s learning whilst learning a new skill yourself. Parents will receive clear directions on how to assist with at-home practice.

Class size: Up to six students per class with a keyboard for each student. Children are grouped according to grade level where possible: Kindergarten/First Graders.

Class length: Classes meet once per week for 45 minutes.

Calendar: The schedule follows the SA public school/holiday schedule. On enrolment, you will be able to view all your class days in our student portal.

Tuition plans: This is a 2-year course if completed in full. The school year runs for two 18-week sessions, with one Saturday or Sunday recital at the end of each semester. Semester fees are based on a total of 19 sessions per semester (38 sessions per school year). A material fee is charged separately, or you may buy your own. Students may complete the full course, or transfer to another course at the end of each semester. Semester fees are billed in 2 equal term instalments by default. Tuition can be paid by cash, bank transfer, credit card, or PayPal. Annual/semester payments & group bookings* receive tuition discount.

School Procedures: Please remain with your child in the waiting area until the previous class has been dismissed. Children may use crayons and coloured pencils while waiting. Please ask them to put their art supplies back before leaving. For safety reasons, siblings who are not enrolled may not be left unattended in the waiting area or outside the studio.

Classroom procedures: To prevent disruption, only enrolled students and their parents are allowed in the classroom during the lesson. The teacher will handle all classroom discipline so that parents can remain the learning partner.

Attendance: Consistent attendance is a key to musical success. If your child will be absent, please notify us via the student portal as soon as possible, note we can't answer our phone during teaching time. Any assignments are issued through the portal. Tuition is not reduced for missed classes, however if at least 48 hours' notice of absence has been provided we will endeavour to arrange for your child to participate with another class at similar level, subject to availability in that group. If the instructor must cancel a class, the lesson will be made up where possible, or if not possible a credit of that lesson portion will be applied to your account.

Enrolment Commitment: When a student enrolls, the financial commitment is for a minimum of one semester. Class time changes or regrouping are implemented at the start of the new semester only when needed. Most students retain their class time for the entire school year.

Summer classes: If running a summer course or music camp, registration for those sessions will begin 2-3 months prior. Enrolled families will have first choice of preferred class slots. New student enrolment will open 2 weeks after current students.
